Space and Naval Warfare Systems Command Awards Contract

SAN DIEGO — TRW Systems & Information Technology Group of San Diego is being awarded a \$2,993,796 Cost Plus Fixed Fee contract for support of SPAWAR's Fixed Surveillance Systems Program Office. PMW 181 manages Integrated Undersea Surveillance Systems (IUSS) and is the acquisition agent for Fixed Surveillance Systems (FSS). Fixed assets are used to detect, classify, and track submarine targets and other targets of interest on a world-wide basis in both deep-water and littoral environments. The Fixed Surveillance Systems Program Office is responsible for developing, procuring, and maintaining passive undersea surveillance systems composed of the Sound Surveillance System (SOSUS), Fixed Distributed Systems (FDS), the Shore Signal and Information Processing Segment (SSIPS), and Surveillance Direction System (SDS). This contract includes options which, if exercised, would bring the cumulative value of this contract to \$15,783,932. Work will be performed in San Diego and Arlington, Virginia and is expected to be completed by November 2005 (November 2001 for the base year). Contract funds will not expire at the end of the current fiscal year. This contract was not competitively procured in order to provide service and unique technical expertise. The Space and Naval Warfare Systems Command in San Diego is the contracting activity (N00039-01-C-2210).
